****Change of schedule since there is no Para-athletes**.**

*If entry numbers permits, we may opt to combined both genders within the same division. We've done this in the past and it creates a better sense of competition and great results for your athletes. *(Results will be divided based on your athletes gender and division)*. Also note that we might go ahead of schedule up to 10min if/when possible. **Please advise your athletes!**

THE RACE START:

Athletes should be in the start area **20 minutes before** the schedule race start time. Runners should be wearing their correct bib (**wrong bib = no time/no ranking**) pinned to the **FRONT** of their **SCHOOL** shirt.

THE START:

A white flag will be raised into the air 15 seconds before the race start which will then be followed by an AIR HORN BLAST to begin the race. Should any athlete fall in the early stages of the race start, series of WHISTLE AND AIR HORN blasts will signal the stop of the race and runners will return to the start line to repeat the process of the start.

THE RACE:

The course will be CLEARLY marked and the paths flagged with RED and LIME GREEN flags. **RED FLAGS WILL BE THE ATHLETE'S RIGHT SIDE** and **LIME GREEN FLAGS WILL BE ON THE ATHLETE'S LEFT SIDE.**

AWARDS

The top 8 will be given a ribbon. Each division winner will be awarded with a pumpkin

RESULTS:

All results will be posted throughout the meet on the patio and posted online after the meet at the Louis-Riel Track/XC web page (www.louisrielathxc.com)
